Asthma Control Test[™] (ACT) is:

- A quick test that provides a numerical score to assess asthma control.
- Recognized by the National Institutes of Health (NIH) in its 2007 asthma guidelines.¹
- Clinically validated against spirometry and specialist assessment.²

PATIENTS:

Answer each question and write the answer number in the box to the right of each question.
Add your answers and write your total score in the TOTAL box shown below.
Discuss your results with your doctor.

1. In the past 4	weeks, h	ow much of the	time did y	our asthma keep	p you from	getting as much	i done at	work, school c	or at home?
All of the time	1	Most of the time	2	Some of the time	3	A little of the time	4	None of the time	5
